Words: Robin Paglia-Dennis Music: Victoria Milner, Robin Paglia-Dennis © 2008

---

Neis gadol haya sham  
A miracle happened there  
A flickering light lasted eight nights  
A miracle happened there

Neis gadol haya sham  
A miracle happened there  
Brave men and women gave their lives  
To keep the Jewish hope alive  
A miracle happened there

Everyday we keep the faith a Jewish light does shine  
Two thousand years of candlelight reflect in every eye

Neis gadol haya po  
A miracle happened here  
Each time we sang a Jewish song  
Taught from the Torah, righted a wrong  
Created a place where children belong  
A miracle happened here

*“Neis gadol haya sham” is the Hebrew phrase “A miracle happened there” that is referred to on a dreidel, the little top that is used at Chanukah.*
