

BE STRONG – A Miracle Happened (Chanukah)

Words: Robin Paglia-Dennis Music: Victoria Milner, Robin Paglia-Dennis © 2008

Neis gadol haya sham
A miracle happened there
A flickering light lasted eight nights
A miracle happened there

Neis gadol haya sham
A miracle happened there
Brave men and women gave their lives
To keep the Jewish hope alive
A miracle happened there

Everyday we keep the faith a Jewish light does shine
Two thousand years of candlelight reflect in every eye

Neis gadol haya po
A miracle happened here
Each time we sang a Jewish song
Taught from the Torah, righted a wrong
Created a place where children belong
A miracle happened here

“Neis gadol haya sham” is the Hebrew phrase “A miracle happened there” that is referred to on a dreidel, the little top that is used at Chanukah.
