

EVERY DAY – Every day is a new day

Words: Robin Paglia-Dennis; Genesis 8:22 (Noah) Music: Susan Colin © 2005

Every day
Every day is a new day

So long as the earth endures
Seedtime and harvest
Cold and heat, summer and winter
Day and night shall not cease

Some wrongs I can't right
But if day follows night
I can start again, I can start again
When my harvest is fear
Fear and anger and tears
I can plant again, I can plant again
Every day...

If the tide hits the shore
Bringing waves in a roar
I can float again, I can float again
If the sun warms away
The waters of today
I can try again, yes, I can try again

Summer follows winter
Day turns into night
Ice melts down to waterfalls
And grass grows green and bright
Every day...
