

# EVERY DAY – Hineni

Words: Susan Colin, Genesis 22:1; Exodus 3:4    Music: Susan Colin © 2005

*Abraham said to God, "Here I am." Moses said to God, "Here I am."  
More than a response to a call, "Hineni" implies a readiness to be  
fully present with body, mind and spirit.*

Hineni, here I am  
Finding you was easier than I thought it would be  
Hineni, here I am  
With peace that I longed for right inside of me

Years went past that I struggled  
Feeling lost and unsure  
Then I found out there you were  
Now, here I am  
Hineni, here I am
