

EVERY DAY – New Moon (Psalm 148)

Music: Susan Colin © 2005

Modern life often separates us from the cycles of the natural world. Rosh Hodesh is the monthly celebration of the new moon. Sometimes we just need to be reminded to look up at the sky.

Hal'lu Hal'lu Hal'lu Hal'lu Hal'luyah
Hal' Hal'luyah

Praise the Lord from high the heavens.
Praise the sun and moon,
and all bright stars.
Praise the Lord, O you who are on earth,
Man and woman, young and old.
