

THE WORK OF A LIFETIME – Birkat HaDerech

Lyrics & Music: Orit Perlman

Y'hi ratzon milfanecha, hasam avim rechuvo
S'dot kochavim Hu zorea
Hamehalech al kan'fei rucho
Sh'yisa'ech l'shalom b'darkech

Y'hi ratzon milfanecha, Hu hashozer sh'vilim
V'tomen banu hakoach
V'et hacherut livchor bachayim
Sh'yolichech l'shalom b'darkech

He flies with the dove, He sees from above
He'll shelter you under His wing

May all your meetings be blessed
May you find strength where you roam
May all your longings find anchor
A garden, a bridge and a place to call home
May you be guided and safe on your way

Hu hayoshev v'Hu harochev
Yisa otach tachat k'nafav

Sh'mifgashayich yairu
Sh'tehalchi b'otzma
Sh'kmihotayich yanivu
Bayit lishkot umakom l'tzmicha
Sh'yisa-ech l'shalom b'darkech
May you be guided and safe on your way
